Display Division of Technical Glass Business Strategic Unit to be Renamed

Tokyo, JAPAN (March 29, 2019) – NSG Group announced today that Display Division of Technical Glass Strategic Business Unit will change its name to Fine Glass Division, effective April 1, 2019.

The new name for the division reflects recent expansion of its business to automotive interior cover glass and other products beyond display. Included in NSG's Technical Glass Strategic Business Unit are "Fine Glass Division", "Functional Products Division", "Battery Separator Division" and "Information Devices Division".

NSG Group (TSE 5202) is one of the world's largest manufacturers of glass and glazing products for the architectural, automotive industry and technical glass sectors. With around 27,000 employees, NSG Group has principal operations worldwide and sales in over 100 countries. <http://www.nsg.com>
