

# PROCUREMENT CHARTERED MANAGER DEGREE APPRENTICESHIP

Fully Funded, leading to BSc (Hons) degree & L6 Chartered Institute of Management professional qualification

 Lathom, Lancashire

 22,000 p.a.

 A Level (or equivalent)

## WHO ARE WE?

The NSG Group is headquartered in Japan and have owned the Pilkington brand since 2006. NSG is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Technical Glass.

Our mission is to be the global leader in innovative high-performance glass and glazing solutions, working safely and ethically.

## THE ROLE

Supporting Procurement Team whilst working towards your Chartered Manager Degree Apprenticeship at Manchester Metropolitan University via a mix of on and off the job training and study. The role will take the form of study days on campus at University and hybrid working (after training period) at our site in Lathom, North West, UK.

The role requires you to liaise with internal and external stakeholders supporting all procurement activities for the Group across a variety of Categories of spend.

In total, it will take approximately 48 months to complete all elements of the apprenticeship, with support from NSG Group and Manchester Metropolitan University throughout.

The role will involve working with our global supply base and Procurement Teams to manage annual spend of £4 billion including by supporting successful delivery of multiple Engineering Projects globally with individual values in excess of £250m.

Supporting the Teams to achieve best value procurement of goods and services required for successful delivery of Projects including creation of sourcing events and monitoring return of tenders.

Ensure full compliance with all NSG Sourcing Procedures and implementing any new initiatives rolled out within the Procurement function including sustainability and diversity of supply.

## WHAT ARE WE LOOKING FOR?

The successful candidate will have ...

- Predicted minimum of 104 UCAS points
- Good communication and interpersonal skills
- A good level of IT skills with a working knowledge of Office 365
- Ability to work both as part of a team and independently
- A self-starter who is capable of working under pressure on their own initiative and able to prioritise workloads

A full UK driving licence and car ownership would be an advantage due to limited public transport to the site.

*If you believe you have the skills and abilities we need, and there is a match between our profile and your aspirations, we very much want to hear from you!*

Please apply by covering letter and CV stating why you are interested in this exciting opportunity in our organisation to [RecruitmentVacanciesUK@pl.nsg.com](mailto:RecruitmentVacanciesUK@pl.nsg.com) quoting reference **GROUP P24-11**.

**Deadline for applications 31 May 2024.**
