WHO ARE WE?

The NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Creative Technology.

Our mission is to change our surroundings and improve our world. We work towards our Vision which is based on the strong belief in our long-held values: sincere and ethical culture, commitment to safety and technology and respect for people.

THE ROLE

We are looking for an Occupational Health Technician to join our in-house Occupational Health team, reporting to the Senior Occupational Health Advisor.

You will conduct health surveillance and fitness for role medicals (Hot work and Driver) as identified by risk assessment including undertaking Audiometry, Spirometry, Vision, Skin and night worker assessments. Responsibilities will also include pre-employment medicals including drug testing, health & wellbeing activities ie health promotion, toolbox talks or demonstrations.

In addition, you will maintain electronic OH data, providing statistics and will support the Senior Occupational Health Advisor in developing and improving operational processes.

You will be based across 2 sites in St Helens and one in Ormskirk with occasional travel to 6 UK Branches.

WHAT ARE WE LOOKING FOR?

You and your Skills

- Previous Occupational health experience inc. health surveillance and/or fitness for work medical, but training will be provided if required
- Hold full UK driving licence
- Able to complete overnight stays and travel across the UK for site visits
- Competent IT user
- Be able to work autonomously with the support of the OH, HR and EHS teams

Benefits

- 15 days holiday per annum plus declared Bank Holidays
- 22.5 hours per week – preferably Tuesday, Wednesday, Thursday with flexible work pattern
- Incentive Plan – up to 10% of basic salary (not guaranteed)
- Group Personal Pension Plan – a defined contribution scheme with up to 8% employer contribution
- Pool car provided for travel
- Free parking
- EV chargers on some sites

We give everyone an equal opportunity to contribute to their full potential and harness the richness of ideas.

If you believe you can take on the challenge, we very much want to hear from you.
