

Digital Business Solution (DBS) Specialist

Permanent and temporary position available

Lathom

Up to £42,000 dependant on experience

WHO ARE WE?

The NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Creative Technology.

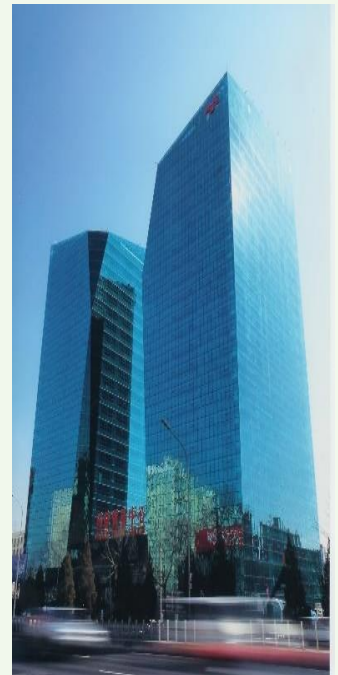

Our mission is to change our surroundings and improve our world. We work towards our Vision which is based on the strong belief in our long-held values: sincere and ethical culture, commitment to safety and technology and respect for people.

THE ROLE

The purpose of this role is to support the DBS Group team in its mission to be the digital partner for Sustainability, Technology, Audit, and Legal. This role plays a strategic part in driving digital transformation across the business by identifying requirements, selecting appropriate digital solutions, managing implementation projects, and ensuring ongoing support and lifecycle management of applications. The successful candidate will collaborate closely with stakeholders to align digital initiatives with business goals, enabling smarter, more sustainable operations.

Main duties would be:

- Ensuring Health, Safety and Quality is at the core of all project delivery and day-to-day activities.
- Liaising with business users (at all levels) to understand and analyse the requirements, develop high-quality specifications, support documentation, and other deliverables for each project such as SOP, Reports, and handover documentation.
- Converse with and influence relevant businesspersons, internal developers, and 3rd parties to ensure each enhancement is in line with NSG strategy and is compliant.
- Liaising with different IS teams to ensure all requirements for server, clients, network, security, data privacy, and ISSC support are discussed and agreed upon with respective teams.
- Supporting evaluation of 3rd party applications that meet business requirements and are in line with Group IS policy

WHAT ARE WE LOOKING FOR?

You and your Skills

- Bachelor's degree in a related field or a combination of education and experience.
- Strong interpersonal and communication skills, both written and verbal, are essential.
- Ability to work with various levels of management.
- Knowledge of the administration and installation of applications on Windows servers.
- Good team worker and able to take responsibility for achieving personal tasks.
- Experience in Project Management & Change Management.
- Basic Knowledge of Oracle/SQL/ DB2 Server database.
- Basic Knowledge of Webserver IIS/ AWS/ cloud base.

Benefits

- 25 days holiday plus bank holidays.
- Holiday Salary Exchange scheme.
- Pension with employer contribution.
- Management Bonus Scheme pays up to 10% of basic salary (not guaranteed).
- Free on-site car parking.
- On-site canteen.
- On site fitness activities and events.

We give everyone an equal opportunity to contribute to their full potential and harness the richness of ideas. If you believe you can take on the challenge, we very much want to hear from you. Application is by CV and covering letter to RecruitmentVacanciesUK@pl.nsg.com quoting job code **DIG P25-03**.
