WHO ARE WE?

The NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Creative Technology.

Our mission is to change our surroundings and improve our world. We work towards our Vision which is based on the strong belief in our long-held values: sincere and ethical culture, commitment to safety and technology and respect for people.

THE ROLE

A vacancy has arisen for a SAP ABAP Analyst. The NSG Global SAP team is friendly and supportive, offering an opportunity for personal development and to gain technical expertise whilst working to maintain and improve several SAP systems including multiple S4 Hana systems.

The main responsibilities are:

- Deliver enhancements and project requirements, providing optimal solutions to help fill gaps in SAP functionality.
- Provide quality support of SAP ABAP developments to internal customers globally in line with SLA targets.
- Proactively communicate with functional team members and ABAP Team members on an ongoing basis.
- Be a technical resource for the ABAP Team and help pass on knowledge to other team members.

WHAT ARE WE LOOKING FOR?

You and your Skills

- SAP ABAP development experience (support and projects) is preferred.
- Proficiency in performance tuning and debugging SAP applications using tools like SQL Trace and Runtime Analysis.
- Practical knowledge of SAP Clean Core development principles is desirable but will be a working requirement for the successful candidate.
- A results-oriented and analytical approach, and the ability to quickly learn and exploit technology.
- Ability to work collaboratively with a variety of teams.
- Someone to work alongside functional teams and business to provide optimal solutions to requirements.
- SAP certification would be desirable.

Benefits

- 25 days holiday plus declared public holidays.
- Staff Bonus Scheme – up to 10% of basic salary, not guaranteed.
- Group Personal Pension Plan – a defined contribution scheme with up to 8% employer contribution.
- Cycle to Work Scheme
- Continual professional development.
- On site fitness activities and events.
- On site car parking, electric car charging ports & restaurant.

We give everyone an equal opportunity to contribute to their full potential and harness the richness of ideas.
If you believe you can take on the challenge, we very much want to hear from you.
