

SAS Web Student Placement (12 months)

£ From £21,630 per annum

📍 Ormskirk, West Lancashire

Who are we?

The NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Creative Technology.

Our mission is to change our surroundings and improve our world. We work towards our Vision which is based on the strong belief in our long-held values: sincere and ethical culture, commitment to safety and technology and respect for people.

The role

The successful candidate will commence in summer 2026 for 12 months within the Global Development Centre pillar of the Digital Function. The role will involve gaining an understanding of the business and the problems and opportunities and will help define functional requirements and build a project scope. They will propose, plan and develop solutions in SharePoint / O365 / Power Platform / Sitecore. There will be opportunities to work on real projects to implement the latest collaboration tools and coach our colleagues to work smarter. The successful candidate will be involved in designing and implementing updates to our corporate web sites & systems. They will also provide application support to a global user base.

What are we looking for?

- 2:1 or above (expected) in a related subject area.
- Understanding of web technologies such as HTML, CSS, Javascript, ASP.net and C#.
- Microsoft operating systems (Windows 10, 11 and Server 2016, 2019, 2025).
- Content Management Systems such as Microsoft SharePoint, Office 365 and Sitecore.
- A strong understanding of business concepts.
- A result orientated approach.
- Strong interpersonal and communication skills, both written and verbal, for working in teams are essential.
- A willingness to learn quickly and apply knowledge to exploit technology.

Benefits

- 25 days annual leave plus declared public holidays.
- Flexible working.
- On site fitness activities and events.
- On site car parking and electric car charging ports.
- On site restaurant.

We will train you in any of the skills you don't currently have.

A full UK driving licence and access to a car would be an advantage due to limited public transport to the site.

How to apply

We give everyone an equal opportunity to contribute to their full potential and harness the richness of ideas.

If you believe you can take on the challenge, we very much want to hear from you. Click [here](#) to apply now! Closing date is 29th May 2026.
