## WHO ARE WE?

The NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Technical Glass.

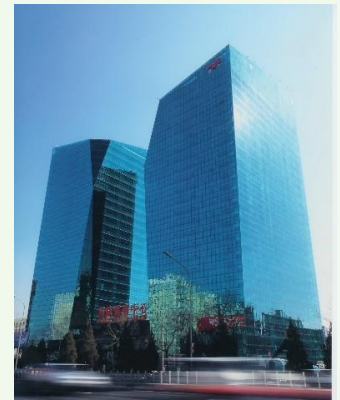

Our mission is to be the global leader in innovative high-performance glass and glazing solutions, working safely and ethically.

## THE ROLE

The role will report to the Category Manager and will be part of the Global Procurement team.

The purpose of the role is to support the Category Manager in design and implementation of Category strategies for the material groups within the Urethanes (adhesives and sealants), Primers and Cleaners Category in Europe and deliver optimum service to the Automotive business unit, both production plants and aftermarket distribution networks.

Key responsibilities will be developing, implementing and reviewing category strategies, acting as the prime commercial contact, building close working relationships with key stakeholders, being the expert within the region, delivering on financial and sustainability targets, leading initiatives, managing tenders and Engineering Change Requests, supporting the Product Management Team and working with Marketing and Product Management teams.

## WHAT ARE WE LOOKING FOR?

### You and your Skills

- Have at least 3 years demonstrable procurement or supplier development or supply chain experience.
- Should be a motivated, dynamic self-starter.
- Have strong communication and interpersonal skills.
- Be commercially and analytically experienced and be highly organised and results orientated.
- Have the flexibility to travel – domestically and in Europe.
- Candidate must have strong verbal and written English skills.
- A technical qualification is an advantage as well as system skills – Ariba, SAP, PowerPoint and Excel with working knowledge of MS SharePoint.

### Benefits

- 25 days holiday plus declared public holidays
- On site car parking
- On site electric car charging ports
- On site canteen
- Management Bonus scheme – up to 20% of basic salary, not guaranteed
- Group Personal Pension Plan – a defined contribution scheme with up to 8% employer contribution
- On site fitness activities and events
- Flexibility with working hours
- Hybrid working

We give everyone an equal opportunity to contribute to their full potential and harness the richness of ideas.

If you believe you can take on the challenge, we very much want to hear from you. Application is by CV and covering letter to [RecruitmentVacanciesUK@pl.nsg.com](mailto:RecruitmentVacanciesUK@pl.nsg.com) quoting job code Group P24-09.
