

Procurement Degree Apprentice

Level 6 Leadership & Management Professional Degree Apprenticeship

Qualification from Manchester Metropolitan University - BA (Hons) Business Management Professional

Lathom, Nr Ormskirk, L40 5UF.

£23,000

WHO ARE WE?

The NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Creative Technology.

Our mission is to change our surroundings and improve our world. We work towards our Vision which is based on the strong belief in our long-held values: sincere and ethical culture, commitment to safety and technology and respect for people.

THE ROLE

Join our Global Procurement Team initially supporting the Manufacturing Assets category while working towards your Degree Apprenticeship at Manchester Metropolitan University. This role combines on the job experience with academic study, including study days on campus and hybrid working (following an initial training period) at our Lathom site in Northwest England.

You will collaborate with internal and external stakeholders to support procurement activities across the Manufacturing Assets category. As a Degree Apprentice, your responsibilities will include:

- Conducting category analysis for the Global Procurement Team.
- Improving spend visibility and supporting spend management initiatives.
- Assisting with tender analysis and supplier evaluations.
- Preparing performance reports for the category.
- Developing Excel based data models.
- Tracking global spend across the category.
- Creating monthly procurement meeting presentations for the Category Management Team.
- Supporting internal communications related to the category.

For more information about the degree apprenticeship please visit [Leadership and Management Professional Degree Apprenticeship | Manchester Metropolitan University](#)

At MMU you will be taught by industry experts and assessments will be focused on NSG Group. Assessment will be 100% coursework.

WHAT ARE WE LOOKING FOR?

You and your Skills

- Predicted minimum of 104 UCAS points.
- GCSE Grade 4 or above in Maths & English Language.
- Proficient in Microsoft Office Suite, with advanced skills in Excel.
- Strong ability to collect, analyse, and interpret large volumes of data.
- Excellent communication skills, both written and verbal.
- Effective time management with the ability to prioritize tasks and manage multiple deadlines.
- Ability to work as part of a team and individually.
- A self-starter who can work under pressure, on their own initiative and able to prioritise workload.

Benefits

- Fully funded Level 6 Degree Apprenticeship from MMU.
- 25 days annual leave.
- Hybrid working after training period.
- Flexible Working Hours Scheme.
- Pension with employer contribution.
- Free on-site car parking – some electric vehicle charging points.
- On-site canteen.
- On-site fitness activities and events.

We give everyone an equal opportunity to contribute to their full potential and harness the richness of ideas.

If you believe you can take on the challenge, we very much want to hear from you. To apply please click [here](#). **Closing date will be 14th July 2025.**
