WHO ARE WE?

The NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Technical Glass.

Our mission is to be the global leader in innovative high-performance glass and glazing solutions, working safely and ethically.

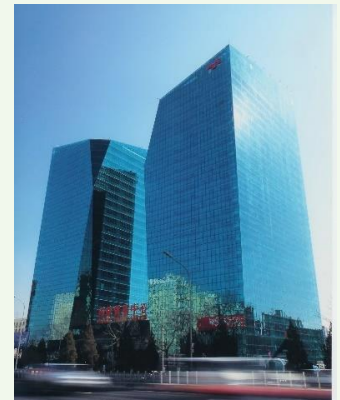

THE ROLE

A fantastic opportunity has arisen for a Technologist based at our European Technical Centre in Lathom. The role will report to the Decarbonisation Technology Team Leader in the Flat Glass Technology Group.

The Group's expertise covers all areas of glass manufacture. Its purpose is to deliver R&D projects, support capital projects and provide technical expertise to NSG manufacturing sites.

The key responsibilities of this role will be in glass forming & annealing and decarbonisation technologies.

The role will involve a mixture of practical site-based activities and theoretical work, leading and providing technical support to production issues and projects. As such there is close interaction with other NSG functions: Engineering, Manufacturing Excellence, and the Sustainability Group, as well as the flat glass plants. Technical support requests are often unplanned and urgent requiring a rapid, effective response, sometimes with travel required at short notice.

WHAT ARE WE LOOKING FOR?

You and your Skills

- Have a practical and theoretical knowledge of glass forming and annealing.
- Possess a science or engineering degree.
- Have at least 3 years work experience.
- Be an agile self-starter with exceptional communication and influencing skills.
- Be a problem solver who can react quickly to changing business needs.
- Experience of project management would be advantageous.
- The ability to be able to travel within the UK and internationally, sometimes at short notice and for periods of a few days to a few weeks is essential.

Benefits

- 25 days holiday, plus declared public holidays
- On site car parking & electric car charging ports.
- On site canteen
- Management Incentive Plan, not guaranteed.
- Group Personal Pension Plan – a defined contribution scheme with up to 8% employer contribution.
- Private health care scheme – dependant on grade.
- Car subsidy scheme – dependant on grade.
- On site fitness activities and events.

We give everyone an equal opportunity to contribute to their full potential and harness the richness of ideas. If you believe you can take on the challenge, we very much want to hear from you. Application is by CV and covering letter to RecruitmentVacanciesUK@pl.nsg.com quoting job code **PTML P24-09**.
