WHO ARE WE?

The NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Creative Technology.

Our mission is to change our surroundings and improve our world. We work towards our Vision which is based on the strong belief in our long-held values: sincere and ethical culture, commitment to safety and technology and respect for people.

THE ROLE

A vacancy has arisen for a Senior Software Developer based in Lathom, reporting to the Team Leader of the Intelligent Manufacturing Systems Team within the Research and Development (R&D) Function. The purpose of the role is to support the development and rollout of Sequoia, the Group standard Manufacturing Information System.

The main responsibilities of the role are :

- Working collaboratively with Manufacturing and other business units to deliver software solutions from start to finish; including specification, coding, testing, debugging, documenting and deployment.
- Leading the development of new software features and functions.
- Supervision and mentoring of junior software developers.
- Providing the business and our manufacturing lines with direct technical support and training across all Sequoia installations world-wide, which are critical to Manufacturing Operations.
- Investigating new cutting-edge technologies, expanding knowledge and prototyping ideas and features for side-projects.

WHAT ARE WE LOOKING FOR?

You and your Skills

- Educated to degree level in a relevant subject.
- Several years of software development experience.
- Excellent communication and interpersonal skills.
- Good attention to detail.
- Able to work to strict deadlines and targets.
- Experience of C#, .Net, MS SQL Database Development and Admin, TSQL, JavaScript/jQuery, React, Software Design Patterns, CI/CD.
- Experience of working on complex software projects would be an advantage.

Benefits

- 37½ hours per week.
- 25 days holiday plus bank holidays.
- Hybrid working.
- Holiday Salary Exchange scheme.
- Pension with employer contribution.
- Management Bonus scheme
- Healthcare scheme.
- Management car subsidy scheme.
- Free on-site car parking.
- On-site canteen.
- On site fitness activities and events.

We give everyone an equal opportunity to contribute to their full potential and harness the richness of ideas.

If you believe you can take on the challenge, we very much want to hear from you.

Please visit our website for further details. To apply please send your CV and covering letter to RecruitmentVacanciesUK@pl.nsg.com and quote reference PTML P25-10. Closing date 31st July 2025.
