

## Assistant Facilities Manager

£ 40,000 per annum dependent on experience, plus benefits

📍 Ormskirk, West Lancashire

### Who are we?

The NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Creative Technology.

Our mission is to change our surroundings and improve our world. We work towards our Vision which is based on the strong belief in our long-held values: sincere and ethical culture, commitment to safety and technology and respect for people.

### The role

We have an opportunity for a talented individual to join our Support Services team at our Lathom site as Assistant Facilities Manager. The successful candidate will report directly to the Facilities Manager and be involved in the management of the site. They will be responsible for the successful delivery of projects and will liaise and co-ordinate efforts between on-site permanent contractors and temporary contractors as required.

Key responsibilities will include:

- Planning and implementing routine maintenance.
- Communicating and co-ordinating with internal colleagues and contractors.
- Ensuring all work complies to legislative requirements.
- Updating site drawings as required.
- Supervising electrical inspections and keeping appropriate records.
- Prioritising workloads.

### What are we looking for?

- You should have some experience of electrical wiring installations including single and three phase supply distribution.
- You should be computer literate in all Microsoft applications.
- You should have HNC or equivalent in Electrical Engineering.
- You should have Auto Cad experience.
- You must be a confident communicator – being able to communicate clearly and professionally with a wide variety of personnel.

### Benefits

- 25 days holiday (rising with service) plus declared public holidays.
- Defined contribution pension scheme with employer contribution.
- Holiday Salary Exchange scheme.
- Management Bonus Scheme – up to 10% of salary (not guaranteed).
- On site car parking & electric charging ports.
- On site restaurant.
- On site fitness activities and events.
- On-site gym.
- Cycle to work scheme.

### How to apply

We give everyone an equal opportunity to contribute to their full potential and harness the richness of ideas.

If you believe you can take on the challenge, we very much want to hear from you. Click [here](#) to apply now! Closing date is 12<sup>th</sup> June 2026.
