## **Supplier Award for NSG Group's Solar Glass Quality**

NSG Vietnam Glass Industries, a NSG Group company based in southern Vietnam, was awarded with 2016 Outstanding Quality Award by First Solar for VGI's continuous quality improvement efforts and enduring commitment to First Solar's Supplier Quality Continuous Improvement (SQCI) process.

First Solar is a leading global provider of comprehensive photovoltaic (PV) solar systems which use its advanced module and system technology. The NSG Group, including VGI, are supplying high-quality transparent conductive oxide (TCO) coated glass used in the global manufacture of First Solar's advanced technology thin film solar modules. The glass products made by VGI are being supplied mainly to the customer's manufacturing facility in Kulim, Malaysia. The Group has been closely working with First Solar, contributing to its technical advancement and quality improvement.

NSG Group aims to be VA Glass Company providing a wide range of value added glass products to satisfy the needs of various markets and regions.
